## Connect with MathAmaze!

It's free, it's fun and it's aimed at you! This **online, multiplayer mathematics quiz game** allows you to challenge yourself with the interesting puzzle-type questions that you would encounter in mathematics contests. As our community grows, so will the content in the game.

We encourage both students and teachers to contribute to the expansion of MathaMaze by submitting questions from their classes.

the day is over and the sun is setting, the sky is a mix of orange and red, and the birds are flying in the sky. The scene is peaceful and beautiful. [Page 46](#) of 46
